TENNESSEE COLLEGE  
OF APPLIED TECHNOLOGY  
— MURFREESBORO —  
SMYRNA CAMPUS

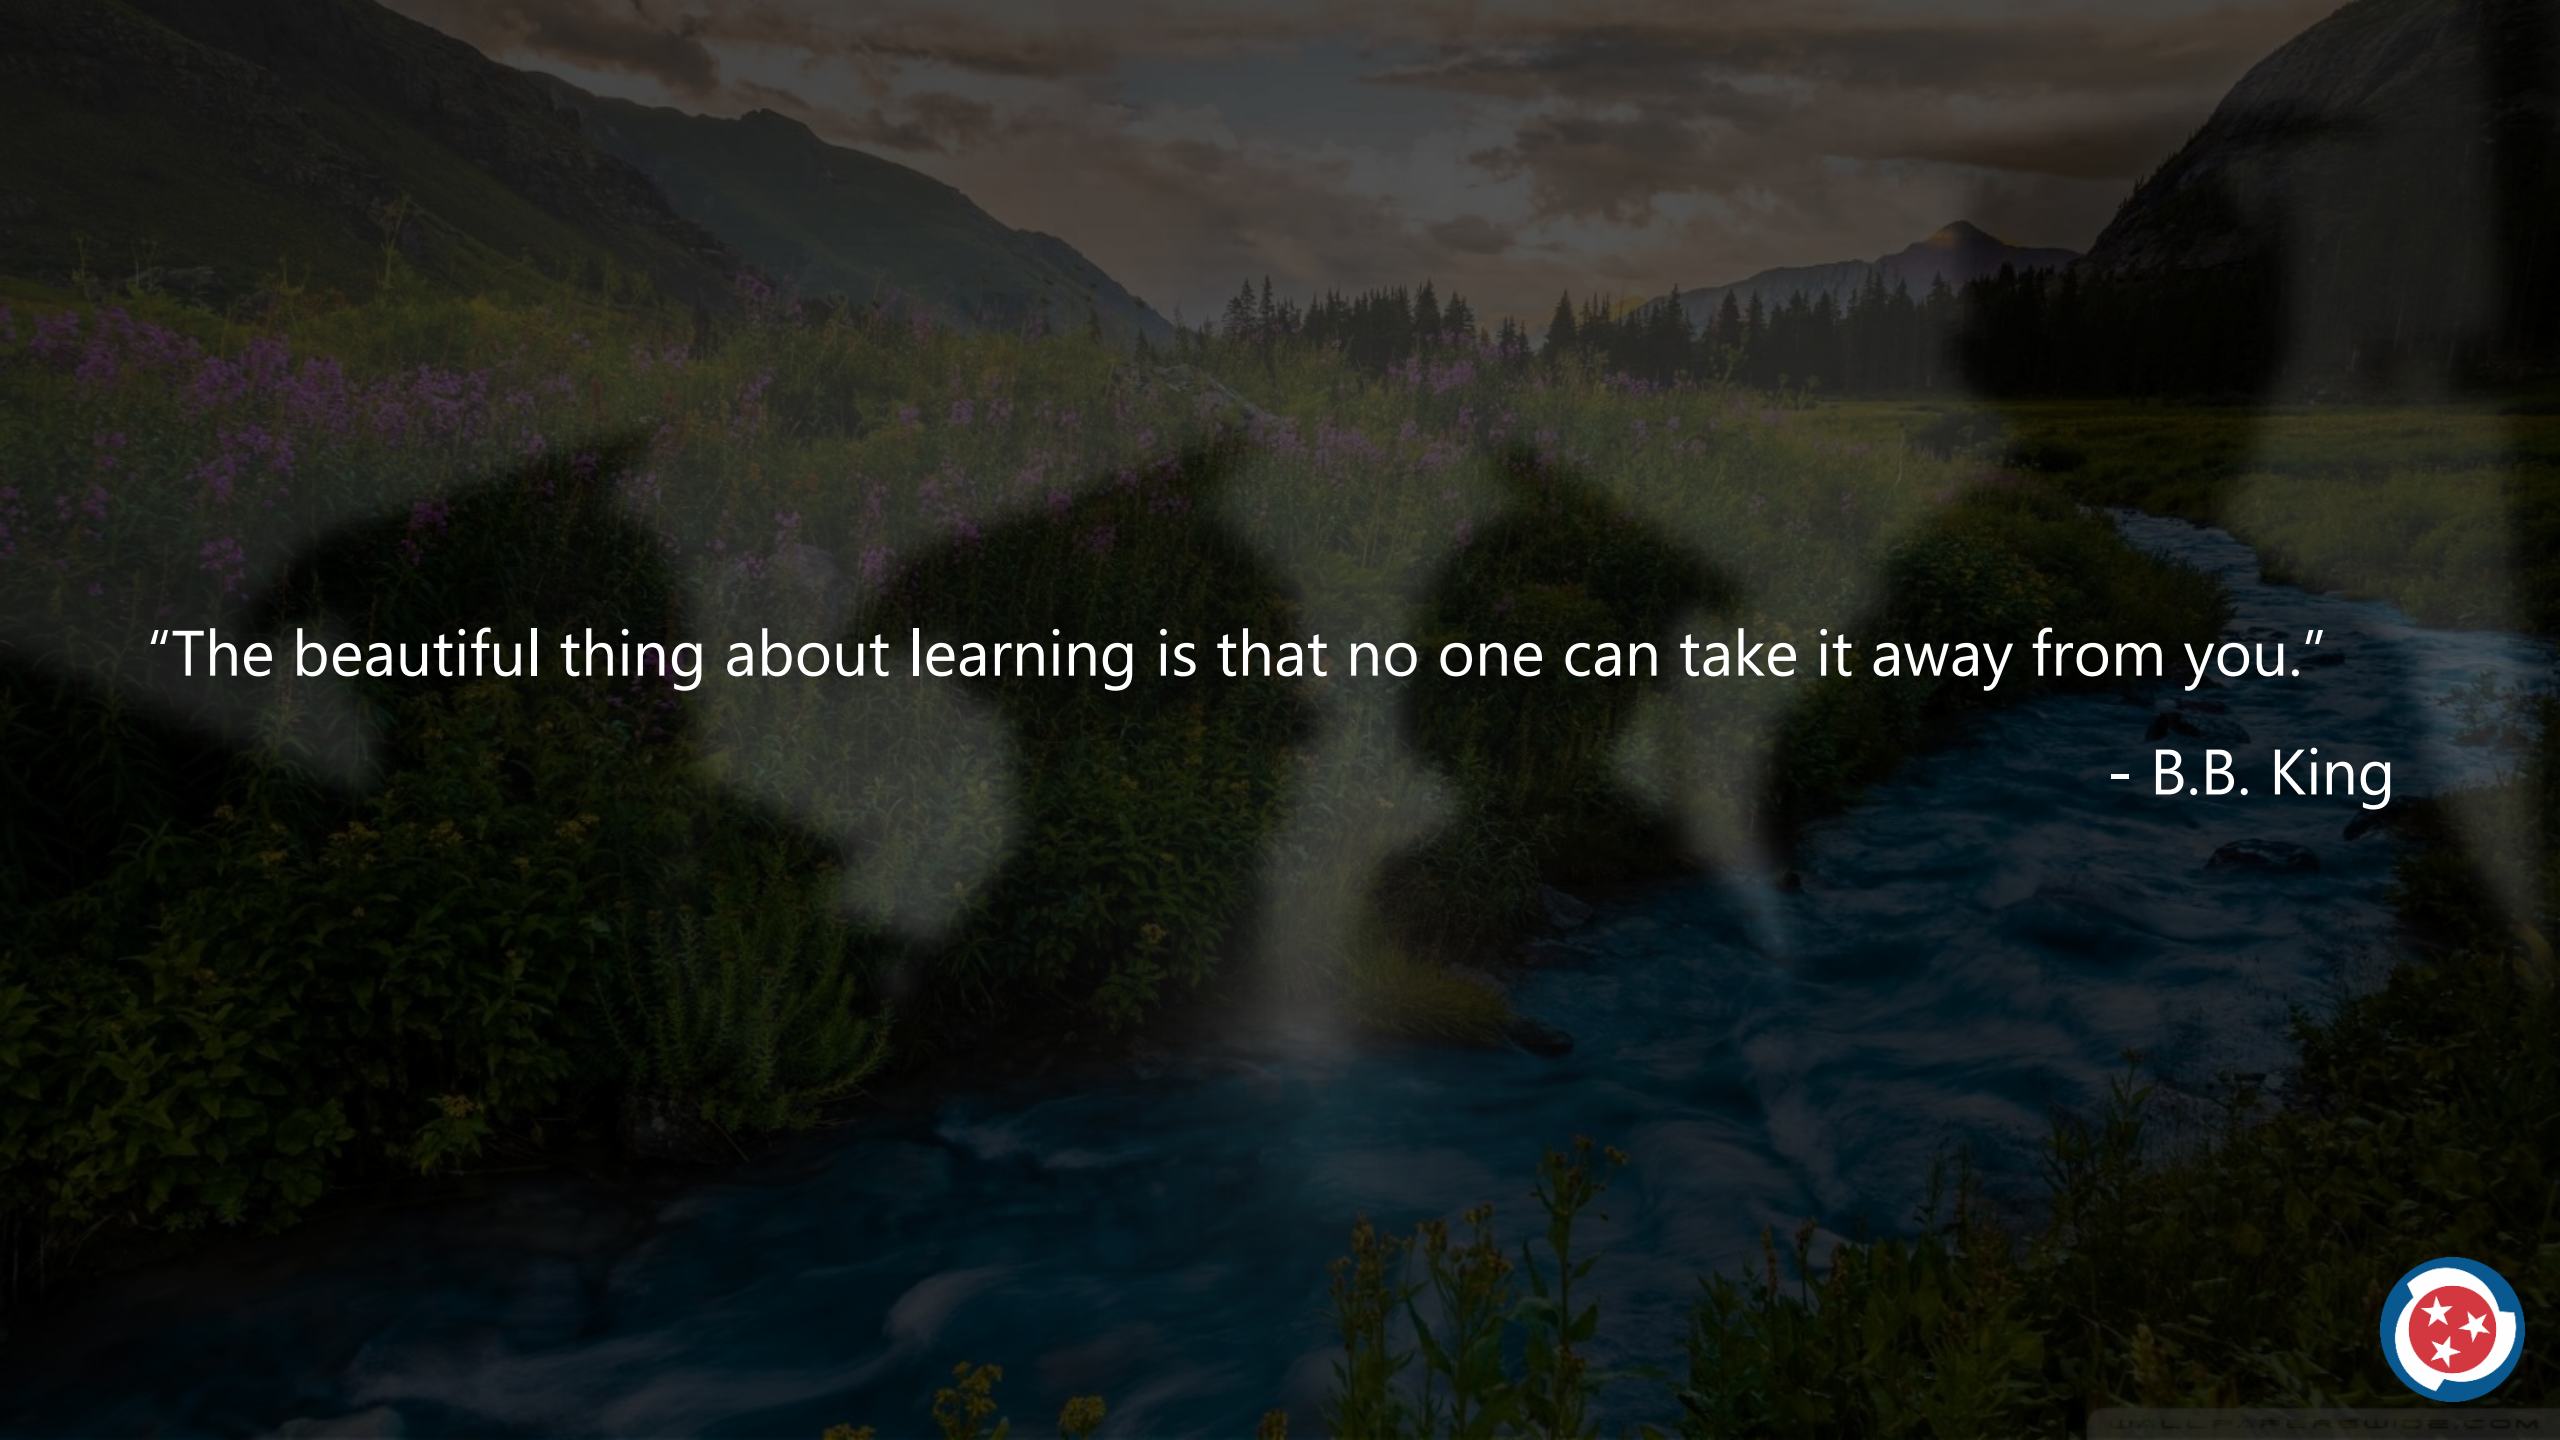

# Mission Statement

The Tennessee Colleges of Applied Technology are the premier providers of workforce development in the state of Tennessee. The colleges fulfill their mission by:

- Providing competency-based training through traditional and distance-learning instruction.
- Contributing to the economic and community development of the state by training and retraining employed workers.
- Ensuring that programs and services are economical and accessible to all Tennessee residents.
- Building relationships of trust with community, business and industry leaders to supply highly skilled workers in areas of need.

A scenic landscape featuring a river flowing through a valley. The river is surrounded by lush green vegetation and purple wildflowers. In the background, there are mountains and a forest of evergreen trees under a cloudy sky.

"The beautiful thing about learning is that no one can take it away from you."

- B.B. King
