TENNESSEE COLLEGE
OF APPLIED TECHNOLOGY
— MURFREESBORO —
SMYRNA CAMPUS

Mission Statement

The Tennessee Colleges of Applied Technology are the premier providers of workforce development in the state of Tennessee. The colleges fulfill their mission by:

- Providing competency-based training through traditional and distance-learning instruction.
- Contributing to the economic and community development of the state by training and retraining employed workers.
- Ensuring that programs and services are economical and accessible to all Tennessee residents.
- Building relationships of trust with community, business and industry leaders to supply highly skilled workers in areas of need.

“That diploma you hold in your hands today is really just your learner’s permit for the rest of the drive through life. Remember, you don’t have to be smarter than the next person, all you have to do is be willing to work harder than the next person.”

- Jimmy Iovine
