TENNESSEE COLLEGE
OF APPLIED TECHNOLOGY
— MURFREESBORO —
SMYRNA CAMPUS

Mission Statement

The Tennessee Colleges of Applied Technology are the premier providers of workforce development in the state of Tennessee. The colleges fulfill their mission by:

- Providing competency-based training through traditional and distance-learning instruction.
- Contributing to the economic and community development of the state by training and retraining employed workers.
- Ensuring that programs and services are economical and accessible to all Tennessee residents.
- Building relationships of trust with community, business and industry leaders to supply highly skilled workers in areas of need.

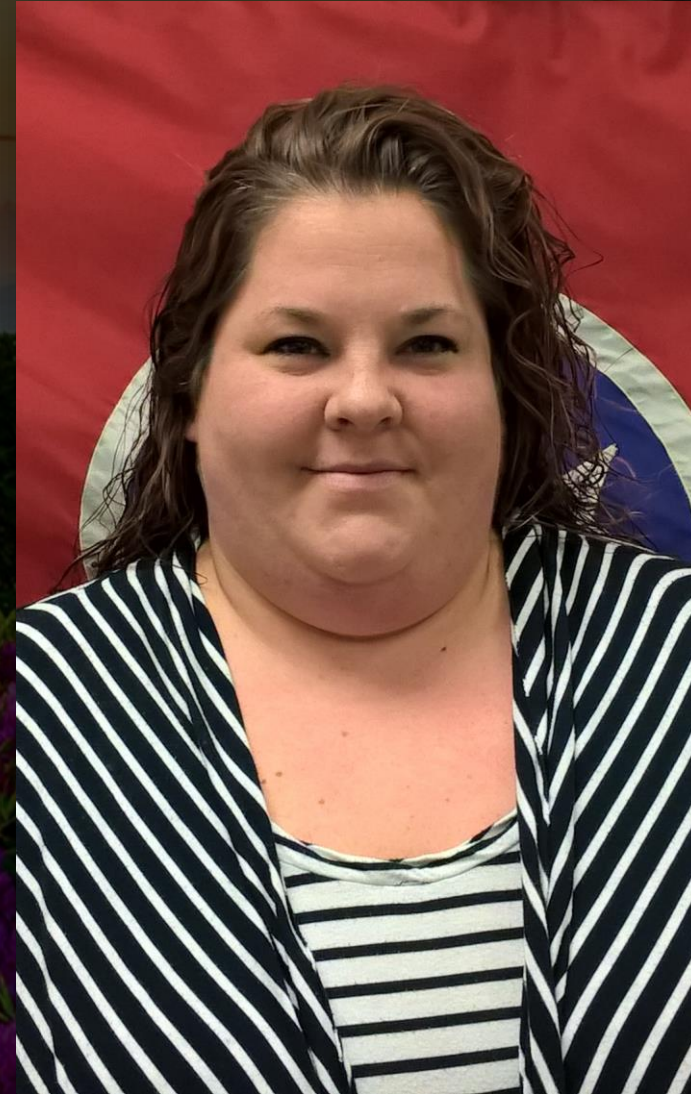

You don't go to university so you can punch a clock. You go to university so you can be in a position to make a difference.
