EARN COLLEGE CREDITS, WITH DUAL ENROLLMENT

Imagine graduating high school with college credits already under your belt. It is easier than you think! Just enroll in dual enrollment courses at the Tennessee College of Applied Technology Murfreesboro.

What is Dual Enrollment?

Dual Enrollment lets you enroll in a course that counts toward your high school graduation as well as earns you college credit at the same time. TCAT Murfreesboro may partner with your high school to provide this exciting opportunity. Please check with your counselor or contact the TCAT Crossville dual enrollment coordinator for more details.

With Dual Enrollment Courses You Can:

- Increase your chances of graduating college on time or sooner.
 - Take classes that may not be offered at your high school.
 - Discover new interests and get a better idea of what future career you may enjoy.

Participating Programs at TCAT Murfreesboro Include:

- Automotive Service Technology
- Machine Tool Technology
- Welding Technology
- Cosmetology
- Information Technology
- Digital Graphic Design

The state of Tennessee offers grants for dual enrollment students to cover tuition and mandatory fees. Eligible students may apply online at tn.gov.

Students who do not meet the grant eligibility requirements may still dual enroll, but will need to pay tuition/fees out of pocket.
