

Anatomy & Physiology

Fall 2025

Course Description

Anatomy & Physiology is a REQUIRED Practical Nursing Prerequisite. To be eligible to apply for the Practical Nursing program, a final grade of 80 is required.

Anatomy & Physiology provides basic knowledge about the human body and assists students in understanding the fundamental concepts of how our bodies function. Anatomy teaches the structure and relationship of all parts of the body. Physiology teaches the functions of the individual parts of the body as well as how they function as a whole.

Anatomy & Physiology is a Workforce & Skills certificate course.

Workforce & Skills courses are not eligible for federal/state financial aid.
