

Workforce & Skills

Forklift Training Fall 2025

Course Description

This one-day training class will teach you how to safely operate a sit-down forklift, and you will receive a certificate of training. Training includes pre-operational inspection, stability, loading, operation, refueling & recharging, inspection checklist, and physical operation of the forklift.

Welding for the Hobbyist is a Workforce & Skills certificate course.

Workforce & Skills courses are not eligible for federal/state financial aid.
